Publications

- Kerns, L. (2016). Simultaneous Confidence Bands for Logistic Regression with Applications in Risk Assessment. *Biometrical Journal*. Accepted. http://onlinelibrary.wiley.com/doi/10.1002/bimj.201600164/full
- Kerns, L. (2016). Construction of Simultaneous Confidence Bands for Multiple Logistic Regression Models Over Restricted Regions. *Statistics: A Journal of Theoretical and Applied Statistics*, Volume **50**, Issue **6**, 1332-1345.
- Kerns, L. and Chen, J. (2016). Multiple Simultaneous Confidence Bands for Restricted Logistic Regressions. *Journal of Applied Statistics*. http://dx.doi.org/10.1080/02664763.2016.1238056.
- Kerns. L (2015). Confidence Bands for the Logistic and Probit Regression Models Over Intervals. *Communication in Statistics – Theory and Methods.* Volume **46**, Issue 8, 3878-3890.
- Kerns, L. and Chen, J. (2015). A Note on Range Regression Analysis. *Journal of Applied Probability and Statistics.* Volume **11**, No. **2**, 19-27.
- Scoy, G., George, E., Opoku Asantewaa, F., Kerns, L., Saunders, M., and Prieto-Langarica, A. (2017). A Cellular Automata Model of Bone Formation. *Mathematical Biosciences.* Accepted. http://dx.doi.org/10.1016/j.mbs.2017.02.001.
- Lu, X. (Lucy Kerns) and Chen, J (2009). Exact Simultaneous Confidence Segments for all Contrast Comparisons. *Journal of Statistical Planning and Inference*, **139**, 2816 - 2822.
- Lu, X. (Lucy Kerns) (2006). On the distribution of a Statistic Arising in Exact Simultaneous Confidence Bands. *Statistics & Probability Letters*, **76**, 743 – 747.
